Speaker Service

“Education for the Community. Expertise for the Media”

WHO: You are in need of a professional who can speak to your community service organization, school, religious association, etc.

You are a media professional who needs expert psychological input for your print, radio, or television journalism.

WHAT: The Speaker Service of the SDPA offers experienced speakers on an amazing variety of topics and in many different languages.

WHEN: You can arrange to have a psychologist speak at your regularly scheduled meeting, event, or community presentation. Please allow three weeks advance notice.

WHERE: Our speakers are located throughout San Diego. We can come to you.

OUR SPEAKERS ARE:

- Licensed psychologists with excellent speaking experience on wide range of topics.
- Committed to providing current information in all areas of life: Family, Health, Relationships, Work, and Spirituality.
- Absolutely FREE of Cost!
