

SDPA Conflict of Interest Information

Conflicts of Interest: As an APA-approved sponsor of continuing education, San Diego Psychological Association is committed to the identification and resolution of potential conflicts of interest in the planning, promotion, delivery, and evaluation of continuing education. Please review the conflict of interest guideline below.

APA Guidelines Regarding Potential Conflicts of Interest

Consistent with concepts outlined in the APA Ethical Principles of Psychologists and Code of Conduct, potential conflicts of interest occur when an individual assumes a professional role in the planning, promotion, delivery, or evaluation of continuing education where personal, professional, legal, financial, or other interests could reasonably be expected to impair his or her objectivity, competence, or effectiveness.
