AMERICAN
PSYCHOLOGICAL
ASSOCIATION

American Psychological Association

The San Diego Psychological Association (SDPA) is approved by the American Psychological Association (APA) to sponsor continuing education for psychologists. SDPA maintains responsibility for this program and its content.

In California, APA approved CE's are valid for licensed psychologists, licensed school psychologists, LCSW, LFMT, LEP & LPCC licensees. Though APA is a national organization, the out of state licensee should check with their state governing board to make sure that APA approved CE's are valid in their state for their license.
